- I understand that there are risks associated with having artificial eyelashes applied to and/or removed from my natural lashes.
- I understand that the eyelash extensions will be applied to the natural lash as determined by the technician so as not to create excessive weight on the natural eyelash thereby preserving the health, growth and natural look of the client's natural eyelashes.
- I understand that as part of the procedure, eye irritation, pain, itching discomfort and in rare cases, eye infection may occur.
- I understand and agree that if I experience any of these issues with my lashes I will contact my technician and have the eyelash extensions removed immediately and consult a physician at my own expense.
- I understand and agree to follow the aftercare instructions provided by my technician. Failure to follow the aftercare instructions may cause the eyelash extensions to fall out.
- I understand that in order to have the eyelash extensions applied to my eyelashes, I will need to keep my eyes closed for duration of 60-180 minutes during the procedure. I also understand that I will need to be lying in a reclined position. Any medical conditions that might be aggravated by lying still for a prolonged period of time may mean that I will not be able to have the procedure performed on my eyes.

- I acknowledge that I should not pull on my lashes after they have been applied.

I have agree to have eyelash extensions applied to and/or removed from my eyelashes. Before my qualified professional can perform the procedure, I understand I must complete this agreement and provide my informed consent by signing and dating where indicated below.

- 1. Waiver of Liability.** I understand that there are risks associated with having artificial eyelashes applied to and/or removed from my existing eyelashes, and that notwithstanding the utmost of care in the application or removal of these products., there still exist risks associated with the procedure and product itself, which include, without limitation, eye irritation, eye pain, discomfort, and in rare cases, blindness when improperly handled. As part of this procedure, I understand that a certain amount of eyelash adhesive material will be used to attach the artificial lases to my existing eyelashes. Even though the professional may apply or remove my lashes properly, I understand adhesive material may become dislodged during or after the procedure, which may irritate y eyes or require further follow-up care, at my own expense to prevent damage to my eyes. I also agree that I will not attribute any liability to Professional as a result of this procedure or the use and care of these lashes. I also agree to defend, indemnify and hold harmless Professional from any and all claims, actions, expenses, damages and liabilities, including reasonable attorney's fees which might be asserted against them as a result of my having this procedure performed. I understand that there are no refunds.
- 2. Care & Maintenance.** I agree to the follow the care and maintenance instructions provided by Novalash and/or Professional for the use and care of my eyelash extensions and that if any follow up care is required due to my own mistake or negligence, or failure to follow these instruction's, this will be at my own expense and risk. I understand that if I do any of the following, it may result in damage to my extensions or may cause my lashes to fall off prematurely. Knowing this I agree to follow these tips for best results. I will avoid using waterproof mascara on my eyelashes and to not use an eyelash curler, perm or tint my extensions. I have been advised that using mascara on a regular basis will shorten the length of time my extensions will remain in place. If I experience any itching or irritation, I agree to contact my Professional immediately to have the lash extensions removed. I agree to not pick, pull or rub my Extensions. I understand that I should not attempt to remove my lash extensions on my own or with any product, but that the procedure requires that my lash extensions be professionally removed.
- 3. No Known Medical Conditions/ Informed Consent.** I have read and completed the consent form in its entirety and in truth I acknowledge that I have been advised of the potential harmful or negative side effects (such as premature shedding of my eyelash) that the lash extension procedure or removal may cause to those who have specific medical or skin conditions. I understand that the adhesives and adhesive remover are a skin, eye and mucus membrane irritant and that in rare cases persons may be allergic or have hypersensitivity to synthetics. I understand that the procedure requires that I lay still for up to 2 hours or longer with my eyes shut, and that if I wear contacts, I must remove my contact lenses for the duration of the lash extension application or removal. I further state that I have no known medical condition that might be aggravated by the procedure or any medical condition that would prevent me from complying with or heeding to the Professional's instructions or these warnings.

If any action is brought to enforce the terms of this Agreement, the prevailing party shall be entitles to its costs and reasonable attorney's fees. This agreement will remain in effect for this procedure, and all future procedures conducted by Professional .
